Our Lady of the Assumption Parish Living Rosary - August 15, 2010

From the Bishop's Office

Projects in the parish, including both those which need Diocesan approval and those which do not, the parish must follow Diocesan guidelines and policies, i.e., WSIB certificates, Insurance certificates, tendering of projects, etc. For projects above \$25,000, tenders are required. The contractors, selected by the parish in consultation with the diocese, will send their sealed tenders to the Chancery Office, where they will be opened in the presence of a representative(s) of the parish (finance committee / property, planning or building committee(s)). These procedures are followed by most dioceses and are required by law.

IF YOU ARE SICK OR IN HOSPITAL, please let me know. I will drop what I'm doing to visit you. If you or family members don't notify me, then obviously I can't read minds---I just presume you're on holidays or out of town if I don't see you in Church!
