NEW PARISHIONERS -- have you registered in our Parish? "Parish Census" Forms can be found at the back of the Churches.

Please introduce yourselves to me---and welcome!!

THE EMERGENCY DEFIBRILATOR

--(that the Parish, CWL and the Knights purchased over a year ago) thankfully has not been needed. It has been installed in the vestibule of the church since then, and yet I'm not sure how many parishioners are aware of how easy it is to use.

If you're a nurse, EMT or have good knowledge of how to use it, please notify me. -- The more you parishioners are aware of how to use it, the better off all of us will be. I'd like to get a short training session set up--but I need to know how many are already familiar with it, and secondly, how many would like to learn how to operate it.

IF YOU ARE SICK OR IN HOSPITAL, please let me know. I will drop what I'm doing to visit you. If you or family members don't notify me, I just presume you're on holidays or out of town if I don't see you in Church!

Funeral Servers - I'm looking for a "few more Good Men and Women" (to paraphrase St. Paul) to serve at funeral Masses. This is a very important and beautiful Ministry to our families at their most difficult moments.

Please let me know if you are committed to this service.

ALTAR SERVERS---

Speaking of Funerals -- many times I am asked if "**cremation**" is allowed. Of course it is; and with limited space in some cemeteries, it may be a wise decision to make. It is preferred that the casket be brought to the Church for the Mass of Christian Burial (Funeral Mass) and then cremation takes place after. However, it is acceptable as well, if families wish, to bring the urn of cremated remains to the Church; much like a casket, the urn is brought up at the beginning of Mass by the family; it is placed on a small table with a white cloth covering it, and the Easter Candle beside it... **One rule however:** The urn of ashes **must** be buried or placed in a wall of repose, just like a casket is. Our Lord was entombed (buried). We too, follow his example. The remains should never be "kept on the mantle" or sprinkled or divided up. They are to be buried or reposed in a dignified Christian manner.

Lost and Found

There have been many items left behind in Assumption Church lately and we have a Lost and Found Box located in the sacristy (the room located to the left inside the church). Please see Fr. David if you have lost a pair of glasses, gloves, scarf, etc.

Pro Life Vigil at Peterborough Hospital

An opportunity to express our unity with the suffering of Christ is not only relevant to Lent but extends throughout the year. The suffering that abortion causes the unborn child as well as the mother and father and society as a whole is enormous. As Blessed John Paul II suggested, we should and must be a witness for life. Would you be willing to sacrifice 1 hour of your time and be with others to pray and witness for life? Join those who have been gathering every Saturday morning at the Peterborough Hospital from 10AM to 11AM for a silent vigil. Begin your sacrifice on May 21st so that a much larger one will end.
