

Bishop F.A. Marrocco  
Assembly #882  
Peterborough  
Faithful Navigator Report

Sir Knights,

Our last months social event was a St. Valentines Ladies Night Dinner, Thursday, February 8<sup>th</sup>, with our significant others (wives, and spouses). What a nice night out for those who were able to attend. We were blessed with over 50 attending, nice weather, fellowship and the attendance of our Former Master, S.K. Bob Lafleche (Lady Millie). After dinner there was a slide presentation of "The Wonders Above Us", about the sights and phenomenon of the day and night skies. It was a special evening indeed and a big, "Thank you!" to all those that donated door prizes and flowers that made this a more memorable event.

We don't often think about recruiting into the Fourth Degree of our Order, like we do at the Council level, but we need to continue to bring along those men that we feel would make good candidates for our Assemblies. Look closely to your Council membership and consider inviting someone to join the Fourth Degree. The next opportunity for an Exemplification is in Brockville, May 24 and 25<sup>th</sup>. There is time to secure a place for you and your candidate(s), but don't delay, time is going faster than you think and time and space is running out.

There was a great turnout of an Honour Guard for the Bishop's Mass at Our Lady of the Assumption Parish on February 19<sup>th</sup>. This Mass was especially significant because relics from St. Brother Andre Bessette (Canada's 1<sup>st</sup> male saint) were also present at the Parish for veneration over this same weekend. Twenty members, from both the Bishop Marrocco and Sir Aubrey Allen Assemblies attended to make this a particularly memorable day. The relics returned to St. Joseph's Oratory, Montreal, the next day.

The monthly Mass for the living and deceased members of the Bishop Marrocco Assembly is to be said at St. Peter-in-Chains, Cathedral, Mar. 25<sup>th</sup>, 2012, for 11:30 a.m.

Our next regular dinner meeting will be on, Thursday, April 12<sup>th</sup>, at 7:00 p.m.

Happy St. Patrick's Day!

Fraternally,  
Rick Stankiewicz  
Faithful Navigator
