

## **Registration For Sacraments 2020-2021 For Students From Assumption Parish, Otonabee**

**Dear Parents,**

**I hope my note finds you and all your family well.**

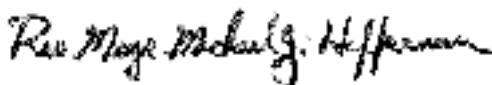

**This time of pandemic has been a challenge for all of us. It has been a time of stress, worry and pressure. This note is not meant to add more to your plate. If Sacramental Preparation seems to be too much for you and your children at this time, there is no reason, that your child must participate this year. The Sacrament may be deferred to next year.**

**With the event of Covid-19, our regular program of Sacramental Preparation has been adapted. It is offered as an on-line program. We will not have any group sessions this year and each student is asked to work at their own speed.**

**If your Student is in grade two and wishes to make the Sacraments of Reconciliation and First Communion, or your Student is in grade seven and wishes to receive Confirmation, your are invited to call Assumption Parish (705-741-1018) to make an appointment for individual registration. Again, we can not have a group meeting for this registration as in past years. The appointment will take about fifteen minutes. An information form will be filled out by you and an explanation of the expectations for the program will be given at that time. Only one parent need come and the presence of the student for this appointment is optional.**

**Some have already inquired about this years program. I hope to hear from you soon. Keep safe and keep healthy.**

**God bless.**

**Msgr. Mike Heffernan**
