CCCB----Note on Prayer

One of the priorities entrusted to the Episcopal Commission for Doctrine by the 2023 Plenary Assembly was to develop a resource on prayer. Given that considerable work has already been done on this topic, the Commission decided to develop a short "Note on Prayer" which, in addition to providing a brief introduction to what prayer is, introduces a set of recent resources on the topic compiled by the CCCB *Ad hoc* Committee for the Preparation of the Jubilee.

The "Note on Prayer" was approved by the Permanent Council at its meeting of November 2024. After proofreading and graphic layout, it has now been published on the CCCB website and can be consulted at the following links:
